Why don't you forward any summary notes/issue to my personal email jimsaric@sbcglobal.net That way I can keep track of things if something comes up and I think I need to give either one of you a call.

Thanks
Jim

We will have the call Tues afternoon on the FS. I will forward a summary via e-mail so you have it when you get back, if something comes up we will call.

Thanks JK

Subject: Next Week

Guys,

I am going to be out of the office next week, so I am not going to be able to attend any calls. If you need me you can reach me via cell (847) 612-3970. I could participate in a call on Monday or Thursday afternoon if necessary. Just give me a call if there is something that you think I need to participate in via phone. However, unfortunately, I won't be able to access my EPA emails next week, as they still have not remedied the smartphone access to the EPA system.

Thanks.

Jim
